

Our 24/7 Online Mortgage Solution is web-based technology which gives the customer instant approval after completing a short application. The system automatically runs a credit check, pulls DU, and gives an approval or request for more information.

How could your 24/7 Branded website differentiate you from other mortgage providers?

- An Internet tool – 24/7 instant approval.
The consumer can be pre-approved on your website and then go house-hunting with their legitimate pre-approval.

How does the borrower find your 24/7 website?

- Add the 24/7 Online Mortgage Link to the home page of your bank website.

How will your 24/7 Branded Website help you?

- By building relationships with Realtors as you bring them leads of interest and pre-approved buyers.
- Allowing your current or potential customers 24/7 access to your mortgage services.
