

By using Summit Mortgage's ELF, LoanLibrary and Pricing you will have:

- Unlimited access to product guideline information
- A guide to search for Niche Solutions
- Product Descriptions
- Recent Updates for all Loan Guidelines
- Current Pricing and Online Locking

#### ELF

A tool that will instantly generate a complete list of matching loan products for any scenario.

#### LoanLibrary

A place to find the current guideline information needed to originate a loan including product matrices, credit information and property/appraisal guidelines.

#### ELF Pricing

A product that searches for the best price for the program selected and allows loans to lock quickly and easily online with our secondary market department.
